

## Work Zone Cam Shares Construction Time-Lapse for Punch Bowl Social Stapleton

Mile High CRE | November 20, 2017

DENVER — Punch Bowl Social Stapleton had its grand opening event this past weekend and [Work Zone Cam](#) is celebrating with the release of its new construction time-lapse movie.

Located in the iconic Stapleton Air Traffic Control Tower building, the new restaurant, bar, bowling alley, arcade and more is housed across 32,000 square feet at the base of the tower. [Work Zone Cam](#) was onsite to document each stage of the 17-month construction process for the Denver area's newest "it" spot.

Watch progress for the new "eat-ertainment" destination in Denver from June 2016 to November 2017 with HD imagery.

Founded by webcam specialists, Work Zone Cam provides a professional, reliable and easy to use time-lapse camera solution. Backed by award-winning technology that is licensed from EarthCam – the industry leader, Work Zone Cam systems are wireless, all-weather digital SLR cameras that are ideal for documenting projects and producing HD quality time-lapse movies. With applications in the construction, retail, healthcare, education and design-build industries, the rugged construction camera is designed for extended outdoor use.
